

THE FEARRINGTON HOUSE OFFERS A FIRST-EVER “BEHIND THE SCENES” INN PACKAGE

June 11, 2010 – Pittsboro, NC: On the weekend of September 11th, The Fearington House is offering for the first time a “Behind The Scenes” overnight Inn package. The idea arose from feedback from Fearington’s Facebook followers who have requested behind the scenes tours in the past.

The “Behind the Scenes” package will offer guests an opportunity to learn firsthand about how The Fearington House has remained one of a small handful of independent properties in the U.S. to have consistently delivered a customer experience at the highest levels according to AAA, Mobil/Forbes, OpenTable and other rating services.

During their stay, guests will have the opportunity to:

- Tour the kitchen with Chef Colin Bedford and learn how The Fearington House earns its Green Certification (we are the first AAA Five Diamond restaurant in the nation to earn this distinction)
- Discuss the wine program with award-winning wine director Maximilian Kast
- Tour the formal gardens with master gardener Wendy Moses
- Visit and talk with organic farmer Anne Stomp in our kitchen gardens

All of these extras are in addition to a la carte breakfast, an afternoon English Tea, a four course dinner at The Fearington House with wine pairings, a \$25 Gift Card to The Shops and an overnight stay at the Inn. There’s also time to relax, unwind, and enjoy a gift card to the shops at Fearington and its newly opened beer garden. Prices start at \$575 (for a Standard Room) per couple.

Due to the interactive nature of the experience, and some of the constricted spaces guests will visit, space is limited. Reservations can be made by calling The Fearington House Country Inn at (919) 542-2121.

A more extensive press release on the 30th Anniversary, including the restaurant's history and current happenings is posted at <http://ferrington.com/house/lib/images/media/30thAnniversary.pdf>

Ferrington House continues to offer other seasonal specials, such as the Summer Getaway and the Escape Package; further information can be found at: <http://ferrington.com/house/packages.asp>.
