

THE FEARRINGTON HOUSE NAMED ONE OF THE TOP 50 BEST OVERALL RESTAURANTS IN THE UNITED STATES BY OPENTABLE

Pittsboro, NC, April 24, 2009 – The Fearington House Restaurant has been identified as one of the 50 best overall restaurants nationally according to OpenTable. These restaurants received the highest “best overall” rating, based on more than 2 million restaurant reviews received over the last year from OpenTable diners. OpenTable operates [OpenTable.com](http://www.opentable.com), the world’s most popular website for making restaurant reservations online.

“We are honored to receive this acknowledgement from our OpenTable diners. The staff at The Fearington House takes great pride in providing the very best service and cuisine. Knowing that our guests enjoyed their experience with us and that they took the time to respond with such wonderful reviews is very gratifying,” said General Manager Theresa Chietini. “We also send congratulations to Saint-Jacques, the only other restaurant in North Carolina to be included in this list.”

“Given the high-quality of our restaurant partners, the competition for placement on this list was quite fierce,” said Caroline Potter, OpenTable’s dining expert. “We congratulate The Fearington House on this exciting accomplishment by providing its diners with exceptional dining experiences.”
