

## FEARRINGTON HOUSE WINE CLUB QUESTIONNAIRE

We are delighted to introduce our Monthly Wine Club from The Ferrington House and Wine Director Maximilian Kast. Join us on a wine adventure and let Max hand-select wines from smaller, family owned wineries matched specifically to your preferences and lifestyle. Whether for yourself or as a gift, this is a wonderful way to expand your palate, learn about new regions, and experience the world's best wines! Max has his Level II Certification from the Court of Master Sommeliers. He continues to add exceptional wines to Ferrington's wine cellar, which has been honored with the Wine Spectator's Best of Award of Excellence since 2004.

Members of the Ferrington Wine Club have three great options to choose from, offering participants an opportunity to discover a selection of wines to suit all tastes and all budgets. We ask that members sign up for a minimum of 3 months, with a choice of 6-month or one-year memberships. Membership Options:

**THE TASTE CLUB:** Receive three bottles of wine chosen to your tastes; with technical data and histories of the wines and winery, food pairing ideas, and a monthly recipe from The Ferrington House Executive Chef. This also includes a \$5.00 discount on all Belted Goat Wine Tastings. The Taste Club - \$50.00/month + Tax.

**THE ARTISAN CLUB:** Receive six bottles of wine chosen to your tastes, with technical data and histories of the wines and winery, food pairing ideas, and a monthly recipe from The Ferrington House Executive Chef. This also includes a \$5.00 discount on all Belted Goat Wine Tastings. The Artisan Club - \$100.00/month + Tax.

**THE COLLECTORS CLUB:** Receive six bottles of small production, and or hard to find wines chosen to your tastes, with technical data and histories of the wines and winery, food pairing ideas, and a monthly recipe from The Ferrington House Executive Chef. This also includes a \$5.00 discount on all Belted Goat Wine Tastings and a 10% discount on all Ferrington House Winemaker Dinners. The Collectors Club - \$250.00/month + Tax.

Members from "The Taste Club" will be able to pick up their wines on Friday, Saturday, or Sunday (after noon) the second week of the month. Members of "The Artisan Club" and "The Collectors Club" will be able to pick up their wines on Friday, Saturday, or Sunday (after noon) on the third week of the month. If you are out of town on these days please contact us and we can make appropriate accommodations. The Wine Club is designed for the wine enthusiast of the NC Triangle area - with that in mind we are unable to ship. Wines will be available for collection for The Belted Goat in the Village Center.

The following questions will help our Sommelier Maximilian Kast determine the exact wines to choose for you.
